

Therapeutic Horseback Riding for Special Needs Children and Adults

October 2, 2022
Wilmer Park, 9:00 am

Sponsorship Opportunities

Please consider supporting one of our largest fundraisers of the year to support the Kent Association of Riding Therapy, Inc. (KART). Race sponsors will have their company logo or name printed on the race tech shirt given to each runner and volunteer. It is an advertisement that will reach over 150 runners and 500 spectators on race day alone. Sponsors will also be recognized in our promotional materials.

Now in our 38th year, KART continues to provide programs for special needs children and adults. At no cost to the schools or families, KART provides therapeutic horseback riding and equine assisted activities to the following special needs communities:

- Students in 6 Kent County schools
- Adults from the Kent Center
- Campers from Camp Fairlee, an Easterseals respite camp in Kent County
- Students from the summer Horizons program

Benefits from KART's programs can be seen through physical, cognitive, emotional, and social improvements. Last year more than 250 participants benefitted from KART's therapeutic riding programs and horse related activities.

With your support, KART will be able to continue to serve and expand programs to the special needs community. By sponsoring the race you will help make a difference in a person's life.

Attached is a sponsorship form and instructions for having your company logo or name on the race shirts. You can also donate online at www.kentridingtherapy.org.

For more information to sponsor, visit our website at kentridingtherapy.org or contact Renée Bench at Rbench@benchworks.com. To register for the race, visit www.trisportsevents.com.
