

ABOUT KART

Now in our 39th year, the Kent Association of Riding Therapy, Inc. (KART) continues to provide therapeutic horseback riding for children and adults with disabilities. At no cost to the schools or families, KART serves Kent County public schools, Chestertown Christian Academy, and Kent Center. KART's summer program includes children and adults with disabilities from Camp Fairlee, an Easterseals respite camp in Kent County serving Delaware and Maryland.

Benefits from therapeutic horseback riding and horse related activities include physical, cognitive and social improvements.

KART relies on fundraising and generous contributions from our community to support our programs.
